

Avelino González Sinda Miguélez

Switzerland and USA
(71 years)

They emigrated to Switzerland and
later to New Jersey

He emigrated to Switzerland because
he was tired of being a trucker

He entered the USA illegally from Canada and he spent one week in jail

In New Jersey he worked in a chicken slaughterhouse. And in Switzerland they worked in a five star hotel.

In USA they lived in a small flat in a district of Galician and Portuguese emigrats.

They had a lot of histories, goods and bads.

Last year they came back to their native city, Ourense for spending their retirement there.
