

Skänder Dega

Who is he?

- His name is Skënder Dega
- He is 51 years old
- He has 4 children and a wife.
- From Albania
- He is an immigrant
- He works at our school

Skënder and his family today

- He lives with his wife and 3 children in Iceland.
- His oldest daughter still lives in Albania studying pharmacy but is coming to Iceland this summer.
- The rest of his family still lives in Albania.

Why did he move?

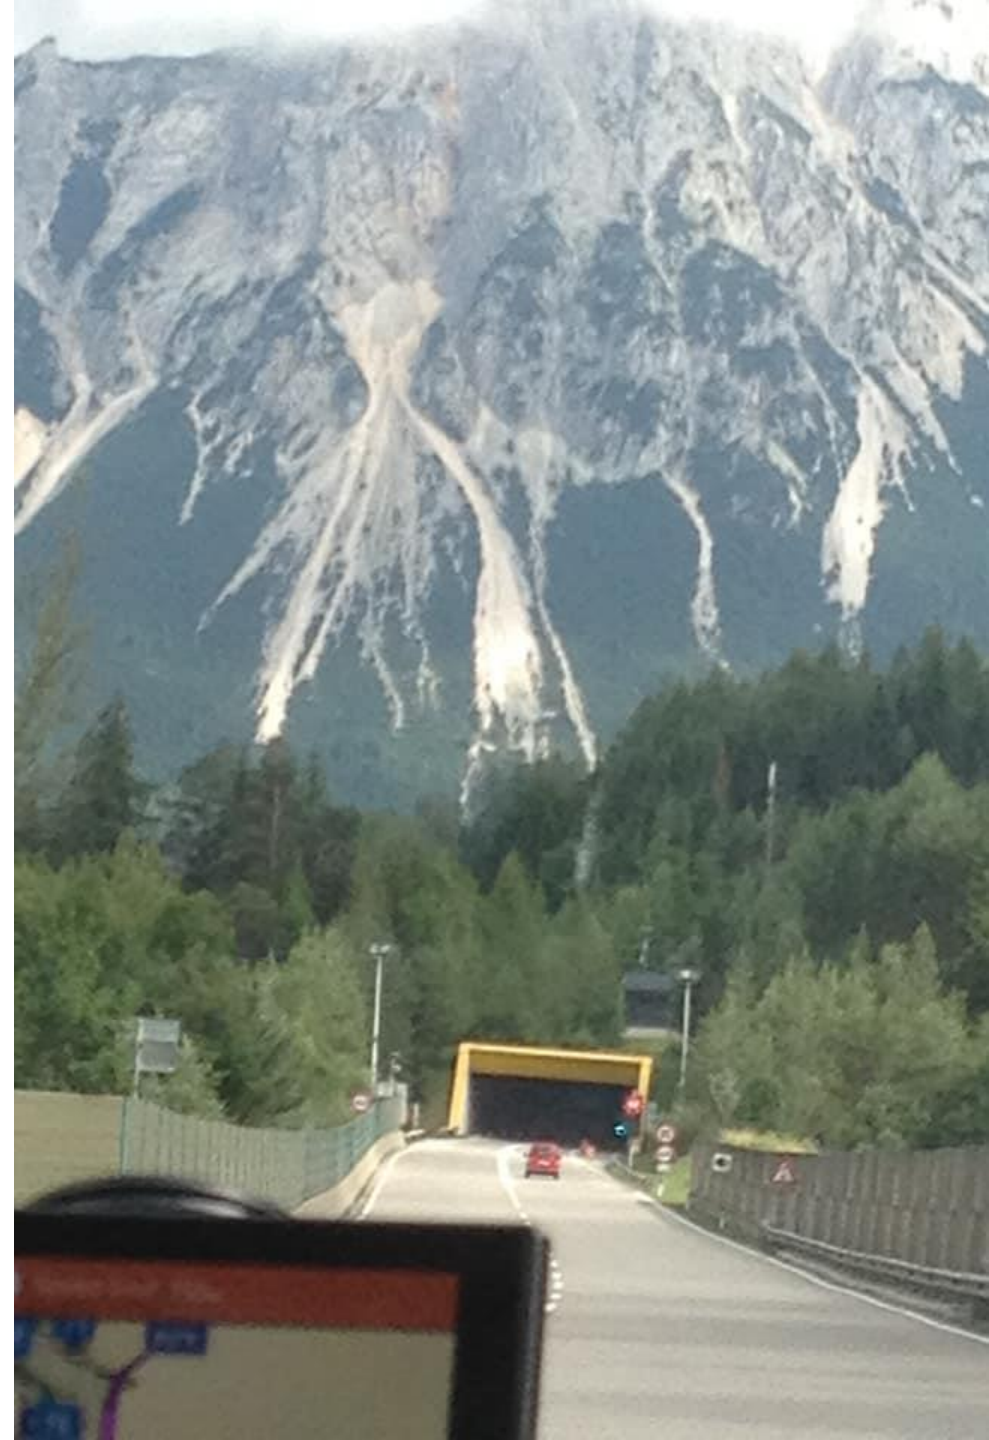

- Skënder wanted a better live for his family and thought Iceland was the place for that.
- Albania also has politic problems and few jobs available for people living there.
- He thought that in Iceland he could get better chances for a better life.

His trip to Iceland

Took 3 days.

He took a flight to Austria and waited there for the next flight to Iceland.

He traveled alone without his family to see if Iceland was a good place for them to live.

How does he like it in
Iceland?

He really likes it there and is looking
forward for the future.

What we learned doing this project

We learned doing this project is that people find it hard talking about big changes like that in their live.

That people are different and everybody has their story.

We hope the best for Skender and hopefully he will have a good life in Iceland.

Thank you for listening 😊
