# World War II – Affect on Iceland

---

- When Valborg was 11 years old the British Army came to Reykjavik
- She heard it on the radio with her older brother
- She felt scared but very curios at the same time
- The British Army coming to Reykjavik didn't have any affect on Valborg's life because she lived so far away from Reykjavik

# Other facts

---

- When Valborg was 19 years old she moved to Reykjavik and got a job
- She met her husband there
- Before she had any children she travelled the world
- She spent 15 years travelling to a lot of countries including China, Australia and South Africa
