

# An emigrant and an immigrant

---

Víctor Andrés Rodríguez Hernández

Víctor was born in 1968 in the capital of Chile,  
Santiago, next to the racecourse.

---

In the year 2001 he met Sandra, a Galician girl,  
on the net. They met personally 2 years later.

---

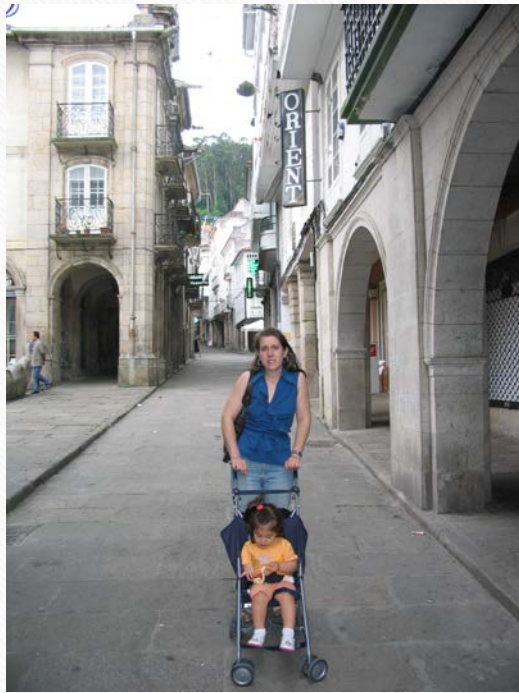

At the age of 35 Víctor came to Galicia for meeting Sandra. He went back to Chile twice.

---

He married Sandra and they lived in Pontedeume.

In 2011 he emmigrated around Europe to find work as a stable man. Víctor only goes home once every month.

His children barely know their father's family.
